

SPELLING
WHO WANTS TO BE A MILLIONAIRE???
^

You will need a list of ten spellings which you find difficult.

Instructions:

Swap spelling lists with a partner, so that you have each other's to work with. Secretly arrange them in order as follows.....

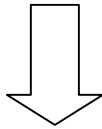

One of you will be the contestant, and one of you will be Chris Tarrant! The teacher will write your answers on the board so that you can check them before you say "Yes, Chris: final answer!"

You will have TEN amounts of prize money:
