

My Spelling Dictionary!

There are some words in the alphabet that are very hard to spell. Some of these words are listed below.

We can make the spellings easier to remember by making up a sentence using the letters in the word.

I have done one of these for you.

- 1) Because - Big elephants can
always upset small elephants.

Now see if you can make up sentences to help you remember how to spell some of the words below.

- 2) Friend
3) Tuesday
4) School
5) Chair
